LINKEDIN – HOW TO SUBMIT A SUGGESTION FOR AN ENHANCEMENT

My name is Kristian. I am a member of the LinkedIn community and a member of the Directly Network of LinkedIn experts.

The functionality to insert a Word file on an article does not exist at this time, however, LinkedIn can help you to make it a reality by submitting feedback as an enhancement. You can use the page from the link below. LinkedIn welcomes your feedback and they're always searching for ways to enhance their products and services.
